INTERNAL QUALITY ASSURANCE CELL (IQAC)

Internal Quality Assurance Cell (IQAC) continuously strives to achieve standards of excellence in teaching-learning process, continuous education, research and lifelong learning.

- IQAC has students as its members. IQAC interacts with the student members as well as alumni for their feedback on effective functioning of the IQAC. Alumni give the suggestions about industry expectations. Students also share the academic and co-curricular requirements with IQAC.

- IQAC Coordinator visits the departments and conducts the meetings with the staff. IQAC also engage some staff for its administration and development work. The communication is done through circulars, e-mails and meetings. The composition of IQAC team members are listed below.
