INAUGURATION OF RESEARCH LABORATORIES

Dhanalakshmi Srinivasan Engineering College Research Labs on behalf of the Food Technology and Pharmaceutical Technology Departments were inaugurated by Dhanalakshmi Srinivasan University Vice-Chancellor A.Srinivasan on November 23, 2022.

The Chancellor of Dhanalakshmi Srinivasan University, Shri. A. Srinivasan, inaugurated the research laboratories. and he appreciated the staff and students for their efforts and was very content to witness such developments on the campus. Mr. Neelraj, Secretary of the Dhanalakshmi Srinivasan Group of Institutions, and Mr. Rajabhupathi, Trust Member, participated in the event. Principal Dr.K.Ilangovan spoke to the students about the importance of practical knowledge, research, and development, Dr. M. Sri Devi, Vice Principal, Dr. K. Velmurugan, CoE and Dr. Anbarasan, Dean, also participated the function.

Food technology is an emerging field in science and engineering that focuses on food production, quality control, food safety, food processing, marketing, and research. These new research laboratories will greatly support students and professors in carrying out their research related to new food products, food processing, and food preservation.

The Department of Pharmaceutical Technology provides students with basic knowledge of the principles of equipment and machinery required for drug manufacturing, drug analysis, drug quality control, and drug research. Also in this function, the professors explained to the students the workings of the main equipment in the research laboratories, like laminar flow chambers, hot-air ovens, putyrometers, tablet disintegrators, tablet friability instruments, bulk density instruments, muffle furnaces, Hutchinsons, and spirometers.
